

Net Prophet speakers announced and ticket sales now open!

Issued by [Net Prophet](#)

24 Mar 2016

Net Prophet 2016 | 7 April 2016 | Artscape Theatre | Cape Town

[Net Prophet 2016](#) returns on 7 April 2016 to Cape Town's Artscape Theatre. The tech industry's biggest event of the year, Net Prophet 2016 promises an incredible line-up of local and international speakers including:

- Michael Jordaan - Venture Capitalist and former CEO of First National Bank (FNB)
- Stephan Ekbergh - CEO/Founder of Travelstart group
- Marlon Parker - Founder of RLabs
- Erik Hersman - CEO of Kenya's BRCK
- Michelle Atagana - Head of Communications and Public Affairs at Google South Africa

Hosted by PayFast, RSAWEB, UCT Graduate School of Business, Artscape, Sea Monster and Woo Commerce, Net Prophet is THE event for start-ups, entrepreneurs and professionals involved in the online industry, or those wanting to learn more about the online and tech world!

Tickets are now on sale at R950 for VIP and R450 general entrance. VIP tickets also offer you the opportunity to 'pay-it-forward', as part of your ticket goes towards sponsoring a bootstrapped start-up or a student who may otherwise be unable to attend the conference. One VIP ticket equals one sponsored ticket for a techie/geek in need.

[Purchase your ticket from Computicket – book today to avoid disappointment!](#)
