

## Design Yuppiechef's next card, magnet

Yuppiechef has launched a design competition looking for a new summer card and magnet to send out with its orders. In the past, its cards and magnets have been designed by Patrick Latimer, Tatjana Buisson and its in-house designers.

Now the hunt is extended to any creative person who is inspired by these words - summer, fun, cooking, eating together, kitchen tools (the design does not have to cover all of them). Each entrant needs to come up with two designs, one for a card and one for a magnet. The two designs need to tie in with each other by way of a theme but they should not be the same.

The designs can be created in any medium (i.e. painted, sketched, digitally illustrated... the list goes on) but must be the submitter's original artwork and free for Yuppiechef to use on its cards and magnets. All designs must be submitted in high res format, using downloadable templates and submitted to [caroline@yuppiechef.com](mailto:caroline@yuppiechef.com) by 13 October 2014. The winner will be announced on 1 December 2014. For more information, go to the [Yuppie Chef design competition](#).
