

Disney XD's Aim High launches with Dale Steyn

Dale Steyn

[Disney XD's](#) Aim High, which gives kids across the country the chance to win a series of mentorships in a different field to learn how to realise their potential, launches its third phase with Dale Steyn, international cricketer. The winner spends a day spent with Steyn, who says, "Mentors have played role in my career and it's fantastic to be involved in an initiative which helps show kids how to be the best they can be, try new things and think about the numerous opportunities available to them." Entries must be sent in before 28 April to www.disney.co.za/disney-xd/aim-high or through MXit.
