

Steers launches new Once-Off Wacky surprise deals

Following the success of Steers' Wacky Wednesdays where customers get two BBQ Burgers for R33.90 every Wednesday, the fast food chain has launched a new Once-Off Wacky offering that promises even greater value through surprise monthly deals. The first Once-Off Wacky deal will be available in store today, 16 May 2012, and will offer a Steers Chicken Burger for R15.90 (usually R25.90). Following this, the Once-Off Wacky offers will be revealed on secret Wednesdays throughout the year.
