

Medical or allied healthcare provider office to let

An office space is now available for rent within my professional Dr Eve suite of rooms. This opportunity is open to health care providers and allied health care professionals. Architect designed and decorated, offering beautiful views of the mountain and the ocean, a well-equipped office space is available for long term or sessional room rental.

This elegant, professional, private suite is situated within The Equinox, in the heart of Sea Point.

The Equinox is a desirable address, occupied with a mix of health care professionals, business providers and SABC3 Espresso television studio.

Currently, my suite is occupied by a GP who specialises in aesthetic medicine and myself, specialising in sexual health.

Rental (including VAT), is R 7,000 per month, and is pro rata, for sessional use,(negotiable)

This includes:

- Office +- 30 sq m
- The common area consists of a kitchen and reception area.
- Uncapped Wireless Internet access
- Air conditioning
- Weekly office, cleaning and regular cleaning and maintenance of the building and suite
- Building with a doorman and high security

To arrange an appointment to view the available room and discuss the rental options, please call Moreeda on 021 4394004.
