

Silicon Cape announces new co-chair

Silicon Cape has appointed Vusi Thembekwayo to its board. Thembekwayo will take on a position of co-chair, together with Dr. Sumarie Roodt. Thembekwayo is an entrepreneur, author, speaker and founding CEO of My Growth Fund Venture Partners, having him on board is a massive achievement and milestone for Silicon Cape.

The Silicon Cape initiative aims to create a technologically advanced Africa through a progressive platform for ecosystem stakeholders who are passionate about entrepreneurship and the roles they play in the future of the nation.
