

## Sheer chocolate indulgence

UK luxury chocolate brand, Green & Black's Organic Chocolate, has finally arrived in South Africa - 'Green' representing the brand's organic principles and 'Black' signifying the darker, and hence richer, chocolate. Every ingredient has been grown in a biodiverse, sustainable manner, and every final product is certified as such by the UK Soil Association. Available in four varieties - Dark 70% (dark chocolate with 70% cocoa solids), Maya Gold (dark chocolate with orange and spices), Milk (a darker shade of milk chocolate), and White (creamy vanilla white chocolate) as well as in a chocolate gift box - the RSP is R23.99 for the 100g slab and R9.99 for the 35g slab, from selected retail outlets.
