

Brand Ambassador Training Academy to open

Zinto Activation Group's (ZAG) recent national roadshow to offer its promotional staff a refresher training course in sales and marketing is leading up to it launching its Brand Ambassador Training Academy (Bata) in Linbro Park in March/April 2012. The academy will provide valuable training in promotional activity free to the public, including learners and students. The group will also extend this programme throughout South Africa via training hubs in each of the provinces. For more, go to
