

Annual toy collection by Good Hope FM is this weekend

The annual toy collection, by Good Hope FM and the Nigel Pierce show, have again dedicated two weeks to bringing Toy to Cape Town. This year, the campaign will give more Capetonians a chance, by making a one-day appearance at V&A Waterfront on Saturday 30 November 2013 from noon until 3pm at a pop-up toy store, in partnership with Toy Kingdom, and a live broadcast from inside the mall. Shoppers are encouraged to visit the store to buy a toy and do the Toy by adding it to the pile.
