

# Taming the Tweet

*TechNewsWorld* caught up with Twitter co-creator Dom Sagolla at the recent 140 Twitter Conference in Seattle, US, and he reminisced about Twitter's early days.

Sagolla's first-ever tweet wasn't actually the medium's first - it was number 39, but what he said has proved to be true... For many users it *is* - which is why Sagolla has written a manual on how to tame the tweet.
