

Draping course

Elect Training Academy has brought a unique and high quality event and wedding draping course into being which is specifically designed for staff training and development of hotels, guest houses, events companies and small businesses.

Draping level one - For the first time in East Africa.

Our exceptional course includes features like safety training, suppliers guide, fabric samples in addition to the step-by-step instruction guide of event and wedding draping.

This is a practical orientated course specifically designed for individuals that would like to start draping at small weddings, helping friends or maybe start a small business. It will equip you to be able to do all the basics needed at a wedding. During Draping Foundation, students will learn about the various aspects of event and wedding draping, maintenance and cleaning of equipment and fabric, basic creative concepts, safety with regard to the handling of tools, consultation with the client etc.
