

SAA Voyager partners with Total

South African Airways (SAA) Voyager is partnering with Total South Africa to offer SAA Voyager Miles at participating Total retail service stations nationwide. Voyager members can now earn miles every time they fill up at Total. [video]

"By teaming up with Total South Africa, we are now able to offer our members yet another opportunity to earn SAA Voyager Miles. This is in line with our efforts to actively extend our range of partners for our valued members beyond airline travel. With 500 participating Total service stations nationwide, we are confident our members will be really pleased with this latest partnership," says SAA executive for customer loyalty, Suretha Cruse.

Voyager is SAA's loyalty programme with a global membership. Members earn miles when they fly with SAA, other airline partners and non-air partners including many selected hotels, financial institutions, car hire companies, lifestyle-related service providers, and now their first petroleum supplier partner, Total SA.

SAA Voyager members earn one SAA Voyager Mile for every one litre of fuel purchased at Total, and these miles can be redeemed for flights, car rental, spa vouchers and lifestyle products or services.

SAA Voyager Miles are only available to SAA Voyager members. Customers who are not members, but would like to take advantage of this benefit from 1 August 2014, can register to become a member at www.flysaa.com.
