

Tanzania's Tigo pays out millions to users

Tigo, one of Tanzania's mobile phone operators, has paid out millions to its users, reports *Mobile Money Africa*...

MobileMoneyAfrica reports that [Tanzanian mobile network firm pays out \\$11m to users...](#)

According to the report, one of the leading mobile phone operators in Tanzania, Tigo has shared its profit to the tune of Tsh20.6bn (\$11.30m) in total to its customers, writes Leonard Magomba.

As before, the average return to a customer will vary based on their average daily balance in their Tigo Pesa e-wallet.
