

Live radio, audio streaming for Marketing Association IGM

The inaugural general meeting of the Marketing Association IGM is currently being broadcast live by 1485 Radio Today on 1485 AM to the greater Johannesburg area; DStv audio channel 70 nationally throughout South Africa, and to the eight English speaking countries of southern Africa, including Zambia South, by Internet streaming on www.1485.org.za. The event will also be housed as a podcast for worldwide listening after the event via the same website. The internet broadcast will allow you to forward nominations for the Board of Directors, vote via email and pose questions to the interim Board of Directors during the panel discussion. The IGM began at 2pm and will finish at 5pm.
