

Great Stock! and Masterfile announce Radius Images

Known throughout the world for its exceptional rights-managed images, Masterfile's recently-launched Radius collection is a premium royalty-free product, available as single images only. Radius recently launched with 15 000 high-quality, contemporary images, which will grow rapidly to 50 000 within the first year.

Issued by [Great Stock!](#) 28 Jul 2006

Radius Images has set itself the goal of defining a new benchmark for the royalty-free industry, with wonderful images encompassing a complete range of subjects, from brilliant lifestyles to spectacular scenics.

"As the exclusive Masterfile rights managed agent in Southern Africa we have gained a huge respect for Masterfile," says Great Stock's Margi Sheard, "and this exciting RF collection delivers everything that we have come to expect from this great producer. Art directors and designers will find this a very exciting collection to fulfil their need for fresh creative imagery of the highest order."

The Radius collection is available from Great Stock! and may be viewed at [Radius Images](#).
