

Miller Fresh Year's Eve returns

Miller Fresh Year's Eve returns to Durban in 2015 on 31 December at King's Park. Miller will again partner hip hop label Cashtime Life to put together a world class showcase using only South African hip hop acts, with a twist.

Label owner Thabiso Khathi will lead the powerhouse team to package and curate this fresh collaboration experience while Durban's own South African promoter Kgolo Da Guru will head up the marketing team to power this showcase to over 5000 hip hop lovers.

The mandate is: Keep it fresh, keep it 100% local.
