

Entries open for SA Radio Awards on 18 January 2016

Stations are encouraged to start collating their audio files well ahead of the 2016 SA Radio Awards, with entries opening on Monday 18 January and closing on 12 February (manual submissions) and 19 February (online submissions).

There have been no changes to the rules for entry from the 2015 awards, but there has been a reduction in the number of categories based on feedback received from the industry.
