▣ *When are you happiest?*

I am happiest when I put my guitar around my neck and take to the stage in front of an audience, whether it be an audience of 10 or 10,000 people. I love to make music.

▣ *What does music mean to you?*

Music means everything to me. It is the food to my soul. It is the air that I breathe. It also provides a living for my family.

☒ ***Your hero?***

My hero is Benni McCarthy. We come from the same community (Hanover Park). We also went to the same primary and high schools.

☒ ***Which living person do you admire most and why?***

My mother. She has the biggest caring heart. Everyone who enters my mother's house won't be able to leave without eating something. She is an incredible human being.

☒ ***What is your most treasured possession?***

My instrument. I'm in love with it.

☒ ***It's your round what are you drinking?***

☒ ***If you were not a musician what would you do?***

That's difficult because I can't see myself doing something else, but I wanted to be a lawyer when I was young.
