

Celebrate Wine.Art.Food at Freedom Park

The 2018 Wine.Art.Food Festival will be held at Freedom Park in Pretoria on 5 May 2018. The annual festival aims to fuse SA's best wine, arts, and cuisine for one day.

The festival will comprise of three family-friendly main elements: wine tasting and classes, gourmet food stalls, and art exhibitions and classes. The festival will host an array of wine farms for the day and exhibitors will be invited from across the country. The participating wineries will offer unlimited tastings to festival-goers and engage them about their products and how they can be accessed outside of the event.

A selection of niche eateries from across Gauteng will be on offer on the day to entice the festival-goers taste buds. This year for the first time, the festival will be offering an MCC Masterclass run by the festival's featured chefs. The masterclass will include a light three-course tasting menu to pair with three selected MCCs for the day.

Local artists will be handpicked from around the province to create their signature art live on the day. The festival will also have various local artists and photographers showcase their work within various segments of the park. The festival will offer a simple but fun two-hour art class on the basics of painting 101 - the class will be facilitated by one of the professionals for the day, with the aim of teaching festival-goers how to get the basics of art right, and they get to keep their portraits at the end of the day.
