

Women in Digital and Data Johannesburg

Engage with digital and data professionals at Women in Digital and Data Forum this September. A must-attend event developed by women for women, Corinium's brand new Women in Digital and Data Forum is landing on 27 September 2018 in Johannesburg, South Africa.

Issued by [Corinium Global Intelligence](#) 6 Sep 2018

Top five reasons to attend women in digital and data JHB 2018:

- Be inspired by industry leaders, join a vibrant and talented community of women in digital and data and achieve professional success
- Gain a thorough understanding of the career opportunities presented in digital and data
- Network with like-minded people working in the same sectors
- Get technical - Understand how different aspects of business will be impacted by emerging technology and the latest trends
- Build diverse and inclusive organisations

Date: 27 September 2018

Venue: Radisson Blu, Sandton

Cost: R5,999 (excl.VAT), book for four delegates and only pay for three
