

3 international acts to perform at H2O Decade 2 Decade

The H2O Party daytime-to-night time dance music festival is celebrating 20 years in 2019. To mark the occasion, three international acts along with 50 South African acts will be performing across six dancefloors at Wild Waters in Ekurhuleni on 28 September 2019.

The first wave of confirmed international acts include superstar German DJ Duo Cosmic Gate, Ukrainian sweetheart Juicy M and the legendary Dutch sensation Tony Cha Cha. These international headliners together with 50 of SA's hottest artists in the dance music including the legendary Goldfish, hip-hop royalty Nasty C, Timo ODV, heavy-hitter DJ Fresh, Kyle Cassim, Vimo, Vin Deysel, Mark Stent, Abby Nurock, Ricardo da Costa and Chunda Munki.

Each of the showcasing acts will offer a unique sound and energy catering for all dance music-lovers and H2O fans over the past two decades alike. The two decade H2O musical journey will be narrated across six dance arenas and will feature various different types of dance music to cater for two generations of fans.

The festival will be hosted and presented by founders Dave Forbes and Itsik Bouhbot alongside Anthony Forbes and Ricardo da Costa, all of whom pioneered and changed the face of the South African dance scene for the past 20 years.

H2O Decade 2 Decade will also pay homage to one of the late founding members Paul Forbes who passed away last year.

H2O co-founder Itsik Bouhbot commented: “Doing this for 20 years obviously has a story behind it and we’ve got one insane one to tell, that’s for sure. Memories, moments, magic and some of the best times of our lives. This event is going to encapsulate 20 years of party history, nostalgia, 20 years of dance.”
