

What to wine about at the TOPS at SPAR Wine Show

The best in South African wines, educational theatres and food will be on offer at the TOPS at SPAR Wine Show, which will be on at the GrandWest Sun Exhibits in Cape Town from 11 to 13 July 2019.

This year's theme is, 'Welcome to WINEderland', and it aims to celebrate the Cape's world-class vintages and cultivars by creating an environment which embodies the history, romance and nostalgia associated with the ancient art of winemaking.

You'll receive a complimentary wine glass on entry to the event and are able to freely roam between exhibitors to taste their vintages and purchase wines directly from the exhibitors at cellar door prices. "This one of our biggest shows every year," says Elouise Matthys, the PR and promotions manager at GrandWest. "It's great for anyone who enjoys good wine and good food as there are so much choice and much entertainment. It's a fun day out."

Tickets are available from www.quicket.co.za from R185 per person.
