

Get ready to hear more of what you love this April

Kaya FM has something exciting in store for listeners next month. Starting from 5 April, The Best T in The City, Midday Joy with Unathi and Kaya Drive with Sizwe, will now be on air between Monday and Friday. Most central to our business is our programming line-up; this slight change means that listeners and commercial partners will get the chance to engage with a more consistent sound during the weekdays. While audiences may be familiar with hearing Thabo "Tbose" Mokwele on Platinum Fridays, this change will see him extend The Best T in the City to the last day of the week.

The Drive Thru with Sandile van Heerden will broadcast its last show this Friday, 2 April. We want to thank Sandile for keeping us company on Friday afternoon's, and he will continue giving us the latest sports updates as part of the Kaya Drive team.

We want to also thank DJ Keyez for standing in over the last few weeks on Fridays. We know that our listeners will enjoy hearing their favourite shows for an extra day, with some new and exciting features.
