

The Proposal out in July

When high-powered book editor Margaret (Sandra Bullock) faces deportation to her native Canada, the quick-thinking exec declares that she's actually engaged to her unsuspecting put-upon assistant Andrew (Ryan Reynolds), who she's tormented for years.

He agrees to participate in the charade, but with a few conditions of his own. The unlikely couple heads to Alaska to meet his quirky family (Mary Steenburgen, Craig T. Nelson, Betty White) and the always-in-contr city girl finds herself in one comedic fish-out-of-water situation after another.

With an impromptu wedding in the works and an immigration official on their tails, Margaret and Andrew reluctantly vow to stick to the plan despite the precarious consequences.

Director Anne Fletcher came to "The Proposal" following her highly successful "27 Dresses." Her director debut was with the 2006 surprise smash "Step Up".
