

Get your D&AD 2009 annual now

The 2009 Taschen and D&AD annual is claimed to be an absolute must-have reference work for anyone interested in creativity, communication, design, or advertising. The *D&AD09: Creative excellence in design and advertising* will be available to purchase from March 2010.

Designed by Jeremy Leslie, the book is available in two versions; English, German and French as well as English, Italian and Portuguese.

The annual features the best of the D&AD awards, where a panel judges over 20 000 pieces of work from design studios, advertising agencies, branding consultancies, film production and photographic agencies, digital media pioneers and other creative firms from all over the globe. Winners receive the D&AD Yellow Pencil or in the case of exceptional and outstanding work, the rare Black Pencil Award.
