

New partner for eBucks

Pro Shop is the latest partner for eBucks, the FNB popular loyalty programme, offering members who are golfing enthusiasts an opportunity to use their eBucks on their favourite golfing gear. It also provides the perfect opportunity for those members who have been thinking about taking up the sport, to get started.

Benjamin Marais, partner acquisition executive at eBucks, says that golf is a key area of interest for many customers and members. "Annually, a bank's customer spends in the region of R2000 on golf so we're excited to bring one of the country's leading golf retailers on board."

The bank's customers are also able to earn additional eBucks if they use their FNB credit, cheque or debit cards at The Pro Shop's till points.
