

***The Mercury* goes Portuguese in world cup editorial "twinning" project**

NEWSWATCH: Once again, American visual journalist and instructor Charles Apples has devoted a blog post to *The Mercury's* 2010 FIFA World Cup editorial "twinning" project, which has been making waves lately. The initiative today, Friday, 25 June 2010, is a four-page wrap - all in Portuguese - in honour of today's Portugal vs Brazil match in Durban at 4pm.
