

## New online auction site

Following an online guessing game, which had thousands of South Africans predicting what Smokoo would be in the hope of winning an awesome Apple iPad, the wait is over.

Smokoo is an online auction site, as correctly predicted by Martie Jacobsz-Faber who wins a new piece of technology valued at around R10 000.

Smokoo is an auction site with a big difference. You enrol, you buy bids and you bid to win top quality, branded and fully guaranteed items at what it reckons to be the most unbelievable discounts. It is planning roll out some excellent offers such as a new Mercedes C180K, a Rolex Daytona or a Sony 3d HD TV at a bargain. For more go to [www.smokoo.co.za](http://www.smokoo.co.za).
