

Jim Jeffries - live in Joburg and Cape Town

Australian stand-up comedian Jim Jefferies will be performing three shows in South Africa, at T Mandela Theatre at the Joburg Theatre on 7 and 9 April, 2011, and at the CTICC, Cape Town on 5 April 2011.

Never afraid to court controversy, Jefferies' forthright and opinionated shows have sometimes divided audiences, but no one ever said being a comedian was easy, even if Jefferies makes it look that way. Jeffries has had five Edinburgh Fringe shows, numerous TV appearances and an HBO hour-long comedy special.

Tickets are available now through [Computicket](#).
