

TV shows build up to local elections

'Elections Build-up' starts on SABC2 on Monday, 4 April 2011, 6pm-6.30pm, as a live studio show, with crossings to national provinces so that viewers can highlight their needs and views on service delivery.

The show serves as a [build-up](#) to the May 2011 local government elections, giving South Africans the opportunity to share their frustrations and wishes before heading to the polls.

It will be presented by the Morning Live presenter Leanne Manas and journalist, Thabiso Sithole from Monday to Thursday for six weeks.
