

Chaine des Rotisseurs awards Sandton Sun

The Sandton Sun, a proud member of the internationally renowned gastronomic society - Chaine des Rotisseurs - has been awarded a Professionals Plaque (Blazon) by the association for its flagship restaurant, Vin mmx.

The Blazon is awarded by the society to few select members, based on criteria such as the ability of an establishment to consistently provide excellence in food and service. This achievement means immediate recognition for Vin mmx as a first-class dining location.

The Sandton Sun is the first in the Southern Sun group to receive such an accolade.

Says Peter Davidson, general manager of the Sandton Sun: "We are extremely proud of this achievement given that the restaurant is not even a year old yet. Vin mmx formed part of the 6th level renovations which took place last year and also includes San Restaurant and San Deck. Combined, this entire social arena has proved to be a huge success."
