

New cleaning wipes from Carlton

Carlton has launched a new range of cleaning wipes, which come in five customised variants, to hygienically clean all household surfaces. The wipes are infused with a liquid cleaner, so there is no longer a need for multiple elements or cleaning liquids for different surfaces. Each variant, with its fresh fragrance, is customised to meet various household needs.

The five Carlton variants are:

- Disinfecting Wipe - cleans, disinfects and kills 99.9% of germs with just one wipe.
- Stainless Steel Wipes - cleans and protects stainless steel and keeps it looking like new.
- Tough Task Wipes - thick and tough to power through grease and grime.
- Bath and Shower Wipes - a dual side wipe that scrubs soap scum away and shines bathroom surface
- Glass and Mirror Wipes - offering a simpler way to keep glass and mirrors sparkling with a streak free shine.
