 By [Anna-Bet Bester](#) 9 Dec 2011

Still haven't quite decided whether or not to join us at the [Rock the River SA New Year's Festival](#) this silly season? Maybe this will change your mind: Aside from the lively Main and Metal stages that will host artists from a variety of alternative genres, the festival organisers have also managed to sign up [Rubadub](#) to get heads bopping to dubstep rhythms from 18h00 on the 31st of December 'till 06h00 January 1st.

Rubadub is the dubstep events company that hosts SA's biggest regular dubstep night happening every second Saturday of the month at [Mercury Live](#) since April of 2010. These are the awesome folks that have managed to bring us some of the biggest names in dubstep, including Skism and Document One.

Dubstep fans can look forward to the following acts making an appearance on the Rubadub line-up at Rock the River SA: [MPI Project](#) - Album Launch (JHB), [Fletcher](#), [7ft Soundsystem](#), [Indidginus](#), [Damage Inc](#), [CutKeyLow](#) - (JHB), [Grimehouse](#), [The Suspect](#), [LG Fritz](#), [Blitzkrieg](#), [Dub Vader](#) and SiMonkey.

Get ready for a wild night of overwhelming bass lines and reverberant drum patterns, clipped samples and sparse, moody vocals. Further confirmed acts in the metal- and alternative genres include [Peachy Keen](#), FPK, [REBURN](#) and [Axxon](#)

Tickets available from [Computicket](#). For more info on Rock the River SA, visit the [website](#).
