

## Online lifestyle club launched

Gaudium Club has launched a member driven lifestyle portal, described as the first South Africa facility focused at enhancing life's experiences through the finest internationally rated, luxury products and services.

Through its concierge service, members will be offered a free diary facility providing reminders of special anniversaries, birthdays etc with timely suggestions of suitable presents that will be suitably endorsed, gift wrapped and delivered to the door on the appointed date. Unique experiences include trips to F1 races in Europe, VIP treatment to watch some of South Africa's leading sporting events, celebrity VIP status when shopping or attendance at one of its exclusive events.
