

## Get creative with Adobe Live 05

Adobe Systems South Africa is holding an Adobe Live 05 and CS PowerTour national design seminar and workshops series. The conference partners with the International Society of Type Designers (ISTD), the South African Graphic Design Council (think) and the internationally travelled CS PowerTour to bring the highest calibre of creative talent to South Africa.

Adobe Live 05 is targeted at individuals who work in the film, video, print, web and advertising industries. Building on the success of previous years, it is placed as the only national design and creative conference that caters for all aspects of the creative spectrum.

Adobe Live will be taking place in Durban at the Pavilion Cinema Prive on Monday 24 October, in Cape Town at the Canal Walk Nu Metro Cinema Prive on Tuesday 25 October and in Johannesburg at the Montecasino Nu Metro Cinema Prive on Thursday 27 October.

Cinema Screens and seating comfort for 1 200 delegates nationally, with a Prive lounge area housing the Adobe Solutions Village where partners will showcase their products and services to delegates throughout the day.

This year Adobe Live has invited the [cspowertour.com](http://cspowertour.com) to host two training days, one in Johannesburg at Vega The Brand Communications School on Friday 28 October and the other in Cape Town at Access International on Wednesday 16 October.

Adobe Live aims to be a source of creative inspiration and Adobe Live 05 will share with the South African creative community best practice from around the globe at the lowest possible price.
