

## Keeping you updated on the Loerie awards

Imperial Car Rental has put Loerie delegates in the driving seat with its special discount offer for the award weekend in Margate.

Through the partnership with Kulula.com, The Loerie Awards have managed to secure a special offer on car rentals from Imperial Car Rental - Kulula's sole vehicle mobility partner. Imperial Car Rental is offering 'never heard of before rates' to delegates traveling between Durban airport and their accommodation in KwaZulu Natal.

To reserve a car for the weekend, go to [www.thelorieawards.co.za](http://www.thelorieawards.co.za) and click on the 'Imperial Car Rental Special Offer' link.

Due to the high volume of bookings already received for this year's gala events in Margate, the online accommodation and travel bookings have now closed. If you still need to make your arrangements, you can liaise directly with the local vendors. Tickets to the awards ceremonies will, however, still be available on the web site [www.thelorieawards.co.za](http://www.thelorieawards.co.za).
