

New York Festivals 2013 Television & Film Awards: Call for entries

NEW YORK, US: [New York Festivals](#), now in its 56th year of honouring the World's Best TV Programs & Films, has announced its 2013 competition call for entries.

New York Festivals and Rose Anderson, NYF's [TV & Film Awards](#) executive director, carefully evaluate and update categories to match current trends in the constantly changing Television & Film industry that showcase both emerging talent as well as renowned industry professionals. New categories launched for the 2013 competition include Best Innovation, Best Technical Production Team, Best Online Special Ever, Best Performance by an Actor, Best Performance by an Actress, Editorial/Viewpoint Program, and Current Affairs Program.

"At NYF, our categories continually reflect the full spectrum of what is being created today around the world. We think it is important to recognize the individuals and the teams that make significant contributions," remarked Anderson. "By expanding on-camera categories for News, Sports, and Entertainment we honour the compelling efforts of anchors, actors, actresses, and journalists in the field. By spotlighting those team members whose behind-the-scenes expertise leads to important technical innovations we put the focus on a major strength within the broadcast community."

For the third year in a row, New York Festivals and [NAB Show](#) will showcase the Television & Film Awards to the 90,000 attendees at the annual NAB Show in Las Vegas.
