

## Woolworths to retail Evian Courrèges Limited Edition

As part of its new campaign, Live Young and Celebrate, a special limited edition Evian bottle has been designed by the French House of Courrèges.

It celebrates the optimism embodied by the product with a chic and avant-garde design, printed with organic ink and presented in 100% environmentally friendly packaging.

The Limited Edition bottle will be available from October at selected Woolworths stores at a recommended retail price of R59.95 while stocks last.
