

Healey's Cheddar gets fresh spin

Healey's Cheddar has a fresh makeover, with this distinguished wheel of flavour now flaunting a new cleaner look. Made by Waterkloof Estate, its new refined pose, designed by Cape Town based design company, Room 13 Design (www.room13.co.za) in cleaner, contemporary packaging, lends a more sophisticated edge deserving of its status as one of the country's finest cheddars.

Since its inception in 2005, the brand has garnered quality accolades worldwide. In 2006, it excelled at the World Cheese Awards in London, bringing home Gold and Silver and, in 2009, it claimed Gold status at the World Cheese Canary Island Awards. More recently, it churned out a Bronze medal at the 2011 World Cheese Awards.

It is available at the estate's tasting lounge at R35 (for 200 grams) or at selected deli's, restaurant, food stores and leading supermarkets including Giovanni's, Carlucci's, Food Lovers Market, Pick 'n Pay, Spar and Checkers.
