Yvonne Chaka Chaka

Known to many as the Princess of Africa, she chatted to MR Lee on the afternoon drive show and did an interview for Rank TV to discuss where her nickname comes from, her new album and life in general.

Adrian Goncalves, digital media manager at ComutaNet says, "When an artist such as this visits the company, we are reminded why our audiences remain engaged by our platforms and why advertisers continue to trust our brand. It was a delight to have her at the studio, sharing her wisdom and beauty with the country."
