These accommodation and day packages are also available to spectators at a reduced rate who wish to support their partners entering the race. For more details and information on what the three packages include, go to <http://raceinterface.co.za/sanbona-wild-weekend/entry-details/>.

One of the many competitions taking place over the weekend is the chance to win a two-night stay for two people in one of the five-star luxury Sanbona lodges. This package, complete with game drives and all meals is valued at over R18,000. This lucky draw will take place on Sunday after the trail run and entrants must be present in order to claim the prize. Terms and conditions will apply.
