If the same entry wins multiple awards within a discipline, the points for the highest award in that discipline is counted towards “of the Year” awards.

Points are only awarded to agencies listed as Primary and Secondary on entries. If several agencies are listed under Primary and Secondary, the points are divided among them.

A total of 10,565 pieces were entered from 54 countries in the ADC 101st Annual Awards, a 15.7% increase over last year. Agencies, studios, freelancers, brands and production companies in 36 countries were awarded a total of 95 ADC Gold Cubes, 114 Silvers, 172 Bronze and 381 Merits this year.
