

# comScore ranks near top on Deloitte's 2010 Technology Fast 500

RESTON, US: comScore, Inc has announced that it ranked on the Technology Fast 500, Deloitte's ranking of 500 of the fastest growing technology, media, telecommunications, life sciences and clean technology companies in North America.

Rankings are based on percentage of fiscal year revenue growth during the period from 2005-2009. comScore grew 154% during this period. The company's president, CEO and co-founder, Dr. Magid Abraham, credits a strong track record of innovation and the exceptional efforts of comScore employees with the company's 154% revenue growth.

"We are thrilled to once again be ranked in the Deloitte Technology Fast 500," said Dr. Abraham. "This award is a testament to the creativity, innovation and execution of comScore employees and their ability to deliver results on behalf of our clients."

## One of the fastest growing tech companies in North America

"comScore and the other 2010 Technology Fast 500 winners forged ahead in a challenging economic environment to realize exceptional growth," said Phil Asmundson, vice chairman and Deloitte's U.S. technology, media and telecommunications leader. "Deloitte commends comScore for this impressive accomplishment."

"comScore has proved itself to be one of the fastest growing tech companies in North America, and we are proud to honour them as one of the 2010 Technology Fast 500," said Mark Jensen, managing partner, venture capital services, Deloitte & Touché LLP.

comScore previously ranked as a Technology Fast 500 award winner in 2005, 2008 and 2009.
