"Germany open for business" highlights the fact that the country holds 2/3 of the most important trade fares as well as most of the congresses in Europe. The theme "Wine and nature" places emphasis on the 13 wine regions in Germany. More events celebrating 800 years of the Thomama Choir in Leipzig, 300 years of Frederick the Great and the 13th documenta in Kassel will be held throughout the year.

Enjoy the read and remember that extensive information can be found on the website www.germany.travel.
