

One Club, dmexco present 'Ubercloud'

COLOGNE, GERMANY: The One Club is to partner with dmexco in its presentation of what aims to be a first-class international creative summit - "Ubercloud - The visible mass of digital creativity" - on 20 September in Cologne Germany:

The organisers say that the complete program, which is posted at www.ubercloud.de, is designed to make it clear at a glance: [Ubercloud](http://www.ubercloud.de) aims to be *the* international 2011 creative summit meeting in Germany.

Topics under discussion include: brand creativity and data visualisation, crowd sourcing, co-creation and collaboration, brand content platforms & storytelling, and the convergence of media & creativity in the digital age.

Speakers include:

Kevin Swanepoel: One Club President
Nicke Bergström: creative director at Vice Scandinavia
Billy Jurewicz: founder and CEO, Space150
Johnny Vulkan: partner Anomaly
Doug Jaeger: president, Art Directors Club
Ije Nwokorie: managing director, WolffOlins London
