

# Making tracks into Africa

Umuntu Media and Tracks4Africa - major players in the Southern African hospitality industry - have teamed up to bring powerful, multi-platform listings offers to the Southern African hospitality industry.

Owners of hotels, lodges, camp sites as well as restaurants and other local businesses in the countries in which Umuntu Media operates, can now reach potential clients locally and internationally on all the essential marketing platforms. This includes premium online listings, social networking services, mobile phone applications, a guide book and various geo-location based trip navigation and trip planning services.
